It provides a scientific explanation of the laws that help you do this, building up a scientific model, speaking in detail about particular rules to follow and giving important how-to tips, illustrated with examples.

Reality Transurfing 1: The Space of Variations: 1 (Reality ...

The theory of Transurfing by Vadim Zeland is both intricately illuminating and controversial. The theory is framed on the concept of alternative realities which he dubs the Space of Variations. In essence he explains that the concept of reality is a personal choice. We choose what our reality is based on the mental and physical energy we project.
